Outline-

I. What on earth is happening? Opening slides showing problems- History of evolution theory 1800-2000

II. The big picture. God has a plan for this world and Satan has a plan. Satan's plan is based on lies. He told Eve she could be as god and this lie is still the basis for his plan today. Doubt, Deny, Deify man. Satan is trying to set up a new world order and wipe out humanity. The evolution theory has been the basis for communism, Nazism, socialism, and the coming NWO. The world will go through a time of great tribulation as the coming of the Lord gets near. God will set up His kingdom. We need to decide whose side we are on and get busy working for our master.

III. What to do?- Just what God already told us to do. Study to shew.. Go ye into …, Train up your children...

1. Learn the truth- get to be a person of understanding, what is the law about teaching creation? (history-1800, Scopes, today)

2. Teach others the truth - great commission. Help students, teachers, leaders, fix textbooks.

Every weekday from 4:30-6 pm I host the Creation Science Hour (and ½) available on www.drdino.com or www.truthradio.com.

I start each program with, "I believe the Bible is the infallible inspired inerrant word of the living God and that the evolution theory is the dumbest and most dangerous religion in

The word “Evolution” has many meanings, only one of which is scientific.

1. **Cosmic evolution-** the origin of space and matter. **Big Bang**
2. **Chemical evolution-** the origin of elements from hydrogen.
3. **Stellar and planetary evolution.** Origin of stars and planets.
4. **Organic evolution.** Origin of life.
5. **Macro-evolution.** Changing from kind into another.
6. **Micro-evolution.** Variations kinds. **Only this one has observed.**

Evolution is dangerous because:

1. It is based on lies alone. (See part 4)

2. It removes all morality.

3. It is the foundation philosophy for Humanism

4. It is the foundation philosophy for Racism.

5. It is the foundation philosophy for Nazism.

6. It is the foundation philosophy for Communism.

Right after the Columbine shooting: “Almost instantaneously, 5 more students from within the Springfield School District were arrested for threatening to murder students, principals, or teachers. HAS NATURAL SELECTION AFFECTED YOUR LIFE DIRECTLY? YES, BECAUSE YOUR BODY HAS BEEN SHAPED BY NATURAL SELECTION. FOR EXAMPLE, THE ABILITY OF YOUR EYES TO FOCUS, THE WAY YOUR HANDS GRIP OBJECTS, YOUR UPRIGHT POSTURE, YOUR LARGE BRAIN, THE COLOR OF YOUR SKIN, AND NUMEROUS OTHER CHARACTERISTICS ARE ALL RESULTS OF EVOLUTION BY NATURAL SELECTION.

9.3 Natural Selection

Objectives

1. Describe how natural selection occurs.
2. Summarize the effects of natural selection on the peppered moth and on the sickle cell allele.
3. Describe how natural selection can lead to the formation of new species.
4. Contrast the hypotheses of punctuated equilibrium and gradualism.

How Natural Selection Causes Evolution

Darwin not only stated that evolution has occurred, he also proposed its mechanism—natural selection. The key factor in natural selection is the environment. The environment presents challenges that only individuals with

See how **Monsanto** and other companies have tried to corner the market on food production w/GM foods that have been **banned in Europe.**

70% of US processed foods contains GM foods.

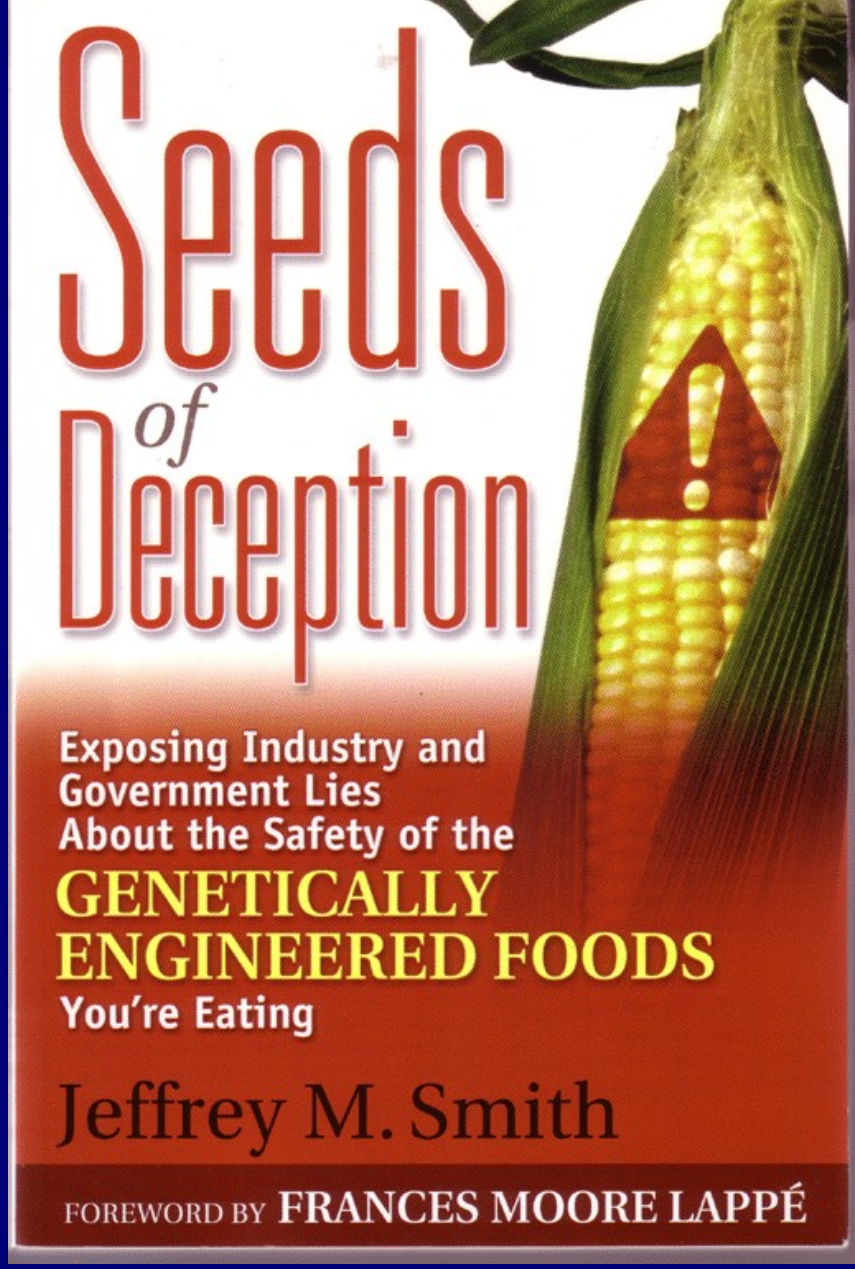

Introduction

On May 23, 2003, President Bush proposed an Initiative to End Hunger in Africa using genetically modified (GM) foods. He also blamed Europe's "unfounded, unscientific fears" of these foods for hindering efforts to end hunger. Bush was convinced that GM foods held the key to greater yields, expanded U.S. exports, and a better world. His rhetoric was not new. It had been passed down from president to president, and delivered to the American people through regular news reports and industry advertisements.

The message was part of a master plan that had been crafted by corporations determined to control the world's food supply. This was made clear at a biotech industry conference in January 1999, where a representative from Arthur Anderson Consulting Group explained how his company had helped Monsanto create that plan. First, they asked Monsanto what their ideal future looked like in fifteen to twenty years. Monsanto executives described a world with 100 percent of all commercial seeds genetically modified and patented. Anderson Consulting then worked backward from that goal, and developed the strategy and tactics to achieve it. They presented Monsanto with the steps and procedures needed to obtain a place of industry dominance in a world in which natural seeds were virtually extinct.

Integral to the plan was Monsanto's influence in government, whose role was to promote the technology worldwide and to help get the foods into the marketplace quickly, before resistance could get in the way. A biotech consultant later said, "The hope of the industry is that over time, the market is so flooded that there's nothing you can do about it. You just sort of surrender."[1]

The spraying of powdered materials throughout the skies of the world is happening on a daily basis everywhere. This has been going on with increasing frequency since the so-called "Election" of the Bush crime family to leadership positions in America. Hardly a day goes by now where jets do not lay down chemical trails in grids and canopies. This is support for technology being used against the population of the world. **Its main goal is control of food and water through weather modification,** but the vast vast expense of this program, as well as the classified technology of corporations such as **Time Domain Corporation,** suggest even greater goals are being obtained in conjunction with the attempt to lock down food and water. **Monsanto Corporation** is also deeply involved in this illegal take-over, and many others. Ionization of these sprayed particles also causes many forms of radiation to rain down upon the as yet unsuspecting populace of the world, as well as lensing programs to dehydrate land and dry up water sources. The first lie of the NWO animals is that a shield is needed because the atmosphere has been depleted -- it is too bad that THEY themselves can now deplete the atmosphere at any time and thus CREATE THAT NEED.

The true crux of the program is to create conductivity within all life on the surface of the planet, by spraying conductive materials which inevitably end up in the soil, the water, the air, and the food. Great inroads have been made in the last few decades concerning electronic coercion through thought entrainment and other electronic stimulus; some examples of this include Paperclip, MK-ULTRA, Pandora, and the work of the so-

For this is the love of God, that we keep his commandments: and his commandments are not grievous.

1 John 5:3

And the LORD God took the man, and **put him into the garden of Eden** to dress it and to keep it. And the LORD **God commanded** the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of **the knowledge of good and evil,** thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.

It's real simple Adam, enjoy the garden, have lots of kids and **don't learn about evil.**

Genesis 2:15-17

For your obedience is come abroad unto all *men*. I am glad therefore on your behalf: but yet I would have you wise unto that which is good, and simple concerning evil.

Romans 16:19

And he said, Who told thee that thou *wast* naked? Hast thou eaten of the tree, whereof I commanded thee that thou shouldest not eat?

Notice God is asking the questions looking for a confession not information.

Genesis 3:11

And the man said, The woman whom thou gavest *to be* with me, she gave me of the tree, and I did eat.

Adam blamed his wife and God.

Genesis 3:11

And unto Adam he said, **Because** thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which **I commanded thee,** saying, Thou shalt not eat of it: **cursed *is* the ground for thy sake;** in sorrow shalt thou eat *of* it all the days of thy life;

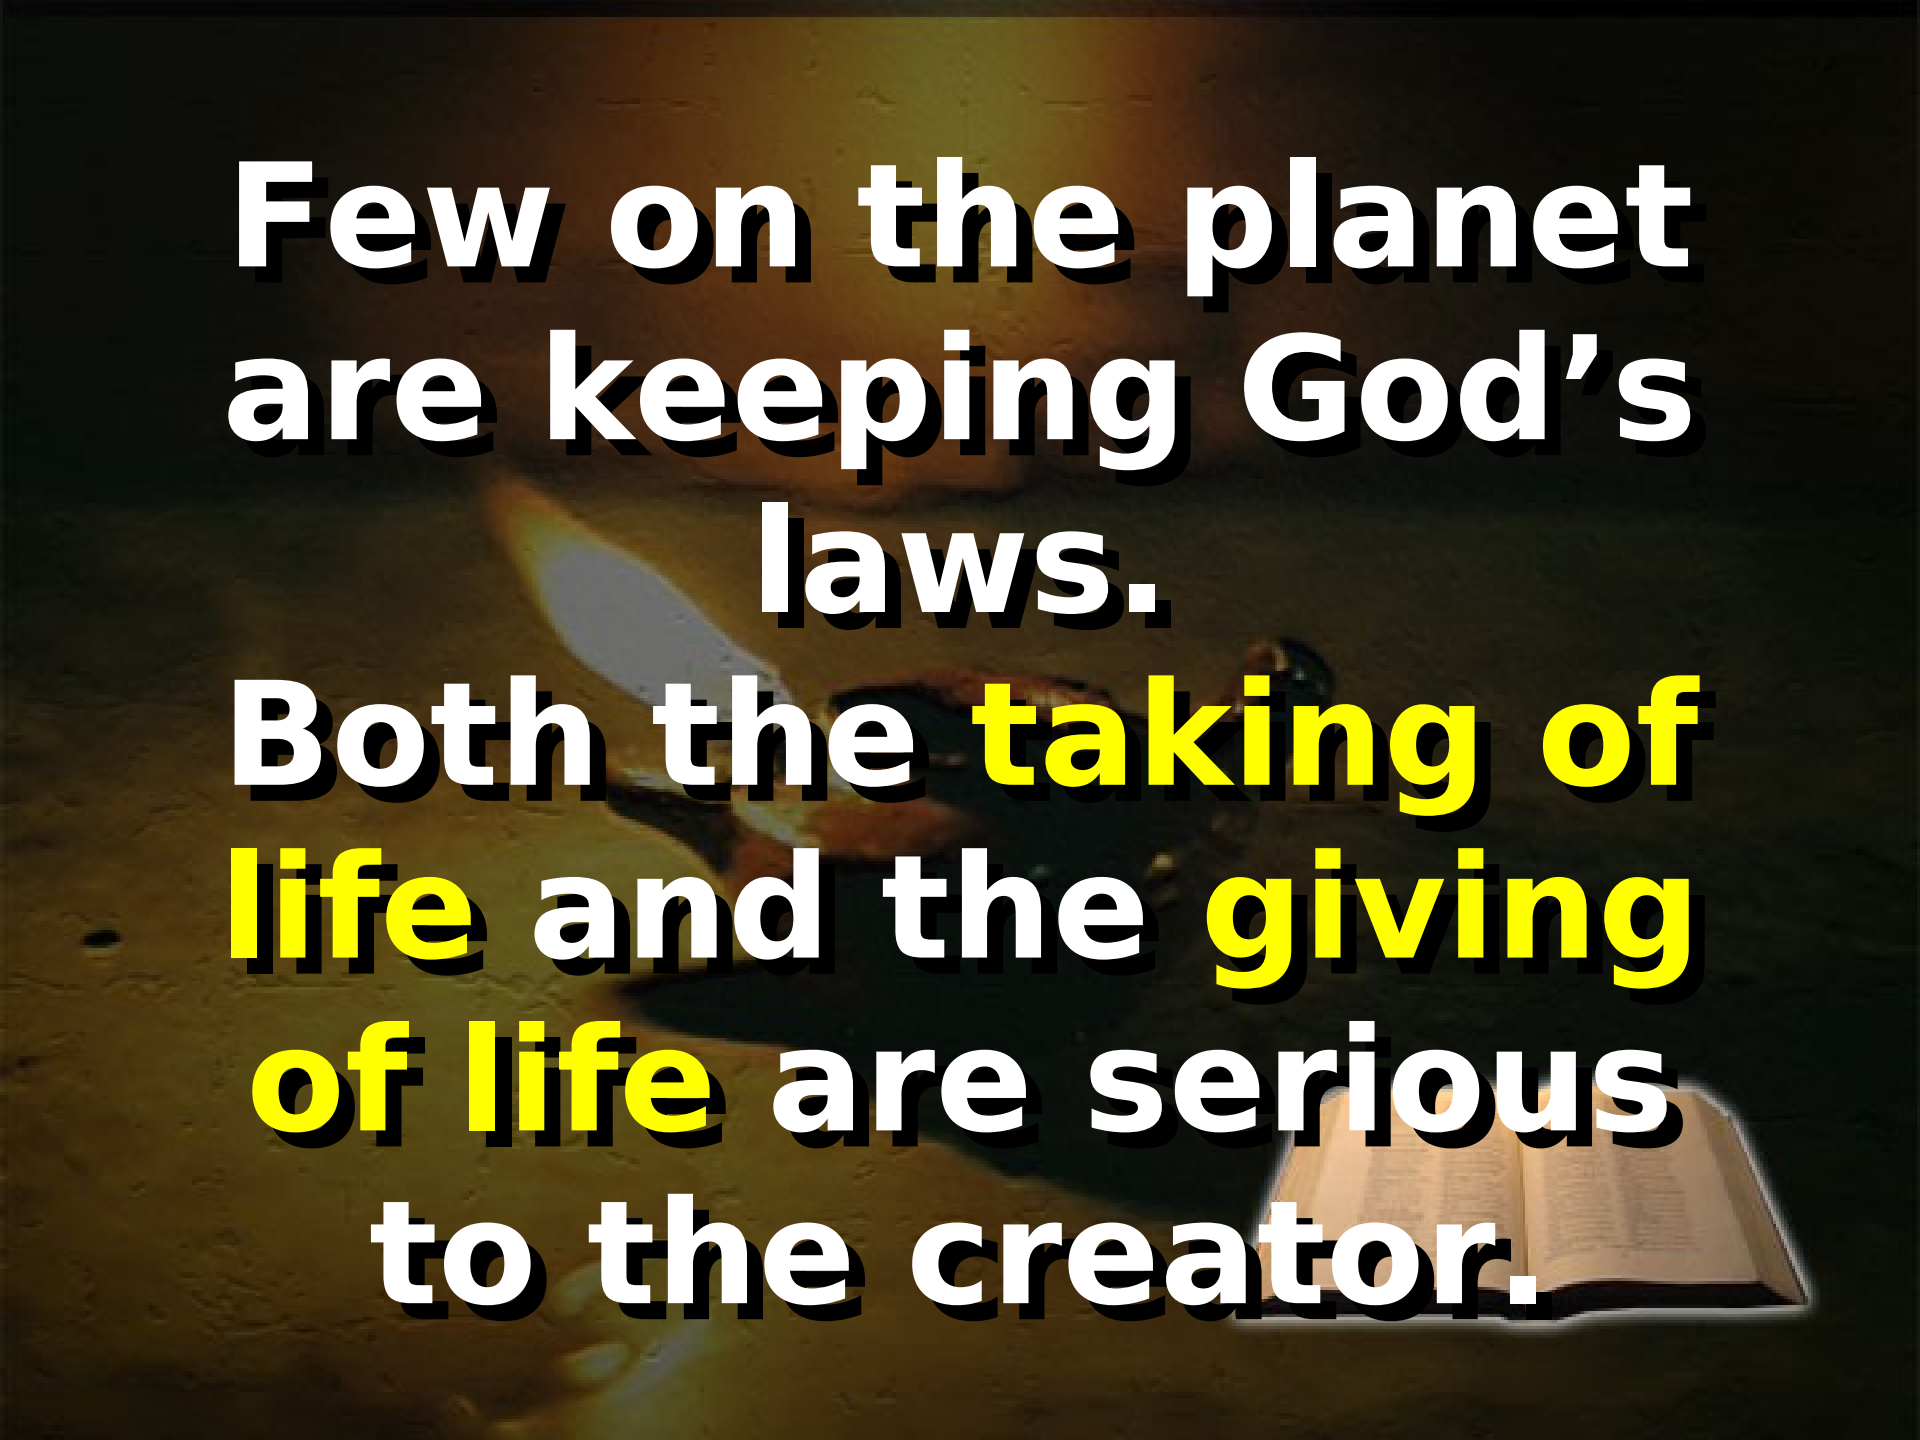

It's still real simple children of Adam, work hard to help keep you out of trouble and prepare to die.

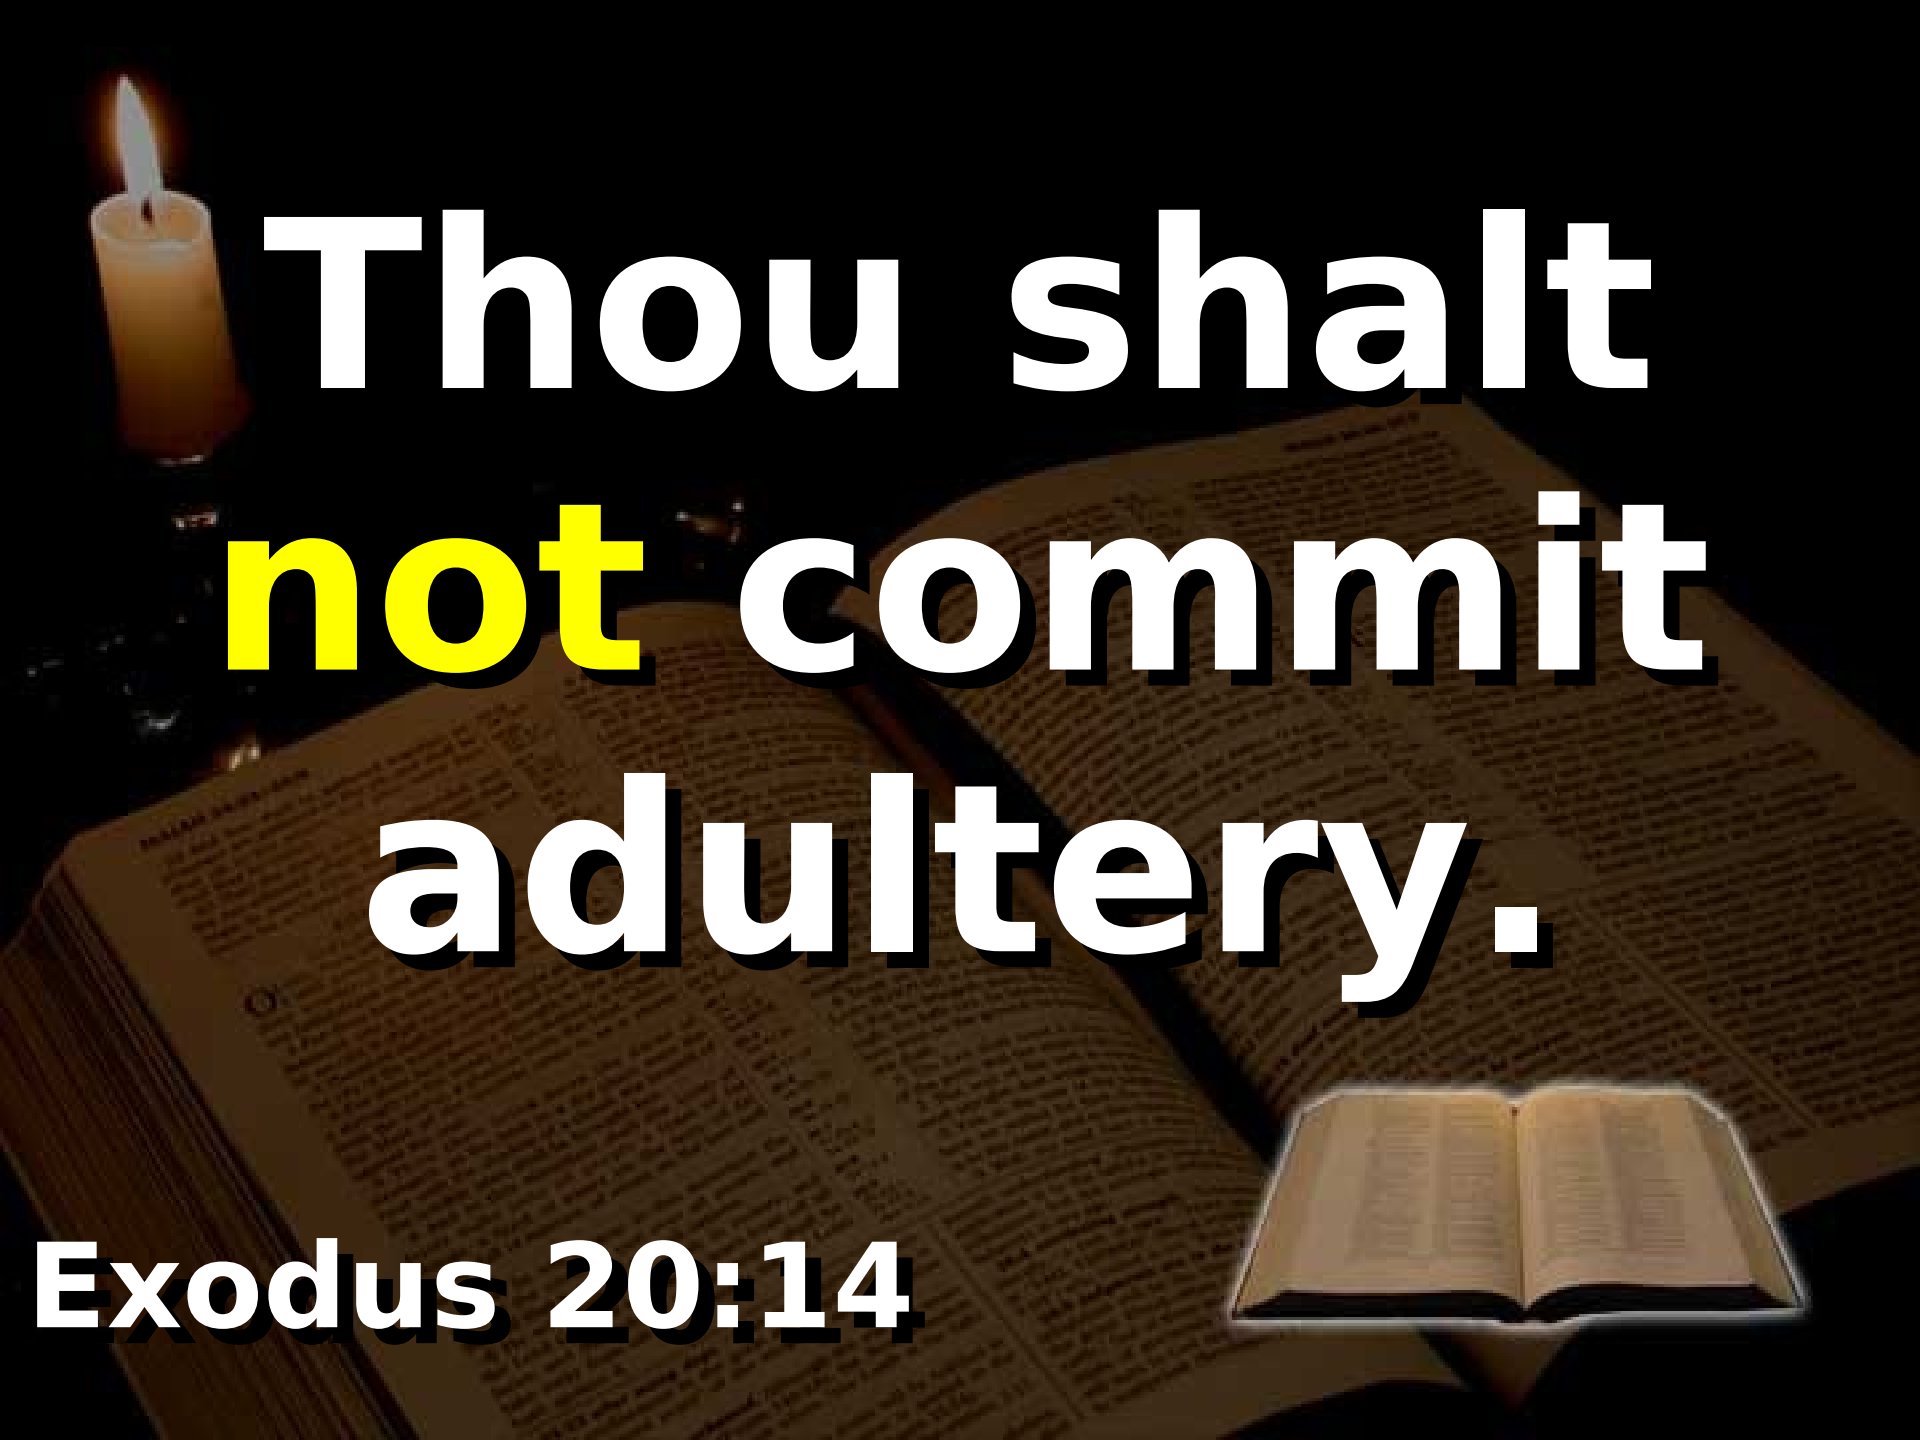

Genesis 3:17

Let us hear the conclusion of the whole matter: **Fear God, and keep his commandments:** for this *is* the whole *duty* of man.

Natural selection causes the number of individuals with a favorable variation to increase over many generations. And as many different favorable variations are accumulated, species change. Darwin concluded that evolution occurs as a result of natural selection. In 1859, after more than 20 years of collecting and analyzing data, Darwin published his findings in a book titled *On the Origin of Species by Means of Natural Selection*. Darwin's book is considered one of the greatest works in biology.

Their intelligence moves within the narrowest bounds, and one can no more (or no less) speak of their reason than of that of the more intelligent animals. . . . These lower races (such as the Veddahs or Australian negroes) are psychologically nearer to the mammals (apes or dogs) than to civilized Europeans; we must, therefore, assign a totally different value to their lives.

At the beginning of white settlement, there were an estimated 300,000 Aborigines settled all over Australia (Hughes 1987:9, Attenbrow 1992:3). Aborigines were viewed by the settlers as primitive, savage and unchanging. In addition to warfare killings, water, flour and sugar were poisoned and diseases (smallpox, measles and influenza) were introduced (Attenbrow 1992:11).

natural law, as shown in this comment from a settler in 1849: “Nothing can stay the dying away of the Aboriginal race, which Providence has only allowed to hold the land until replaced by a finer race” (Hughes 1987:7). Upwards of 20,000 to 25,000 Aborigines were killed prior to 1930 (Hughes 1987:277; Sutton 1988:8). Of the two-hundred and fifty languages present before 1788, now only about twenty or thirty are still spoken (Dixon 1989:7). In Tasmania (an island off the south of Australia), marshal law was declared to solve “the black problem” and every single native inhabitant was slaughtered, with the last women dying in 1876 (Hughes 1987:420-24).

It also gave instructions not only on how to rob graves, but also on how to plug up bullet wounds in freshly killed 'specimens'. Many freelance collectors worked under his guidance. Four weeks after he had requested skulls of Bungee (Russell River) blacks, a keen young science student sent him two, announcing that they, the last of their tribe, had just been shot.[6] In the 1880s, Ramsay commissioned many Aborigines to be shot for specimens, particularly skin for stuffing and mounting for her museum employers.[7] Although evicted from at least one property, she shortly returned home with her specimens.

“Unnatural Selection, American scientists played a key role in the shameful history of eugenics”

In time, these ideas gave rise to American laws that empowered doctors to sterilize people they judged to be unfit to pass on their genes. As a result, Black estimates, some 60,000 people were sterilized in the United States over the course of the 20th century.

Perhaps most chilling, though, were the ways in which American eugenicists influenced their German counterparts.

“I have studied with great interest the laws of several American states concerning the prevention of reproduction by people whose progeny would, in all probability, be of no value or be injurious to the racial stock,” Adolf Hitler told a Nazi confidant.

This statement was not made by a Nazi in the 1930s but in 1913 by the American patriot Theodore Roosevelt. Although he was a great leader in other ways, he, with most of the American upper class of the early 1900s, thought that the many immigrants from Europe, Scotland, Ireland, and the Orient were a threat to American society.

The Barmen Declaration, published by the German "Confessing Church" in 1934. Loyalty to Christ was being challenged in Germany as never before. The church was being asked to recognize the events of 1933 as ordained by God and as rightly demanding obedience side by side with Scripture.

The Barmen Declaration

In view of the errors of the "German Christians" and of the present Reich Church Administration, which are ravaging the Church and at the same time also shattering the unity of the German Evangelical Church, we confess the following evangelical truths: 1. "I am the Way and the Truth and the Life; no one comes to the Father except through me." *John 14:6* "Very truly, I tell you, anyone who does not enter the sheepfold through the gate but climbs in by another way is a thief and a bandit. I am the gate. Whoever enters by me will be saved." *John 10:1,9* Jesus Christ, as he is attested to us in Holy Scripture, is the one Word of God whom we have to hear, and whom we have to trust and obey in life and in death. We reject the false doctrine that the Church could and should recognize as a source of its proclamation, beyond and besides this one Word of God, yet other events, powers, historic figures and truths as God's revelation. 2. "Jesus Christ has been made wisdom and righteousness and sanctification and redemption for us by God." *1 Cor. 1:30* As Jesus Christ is God's comforting pronouncement of the forgiveness of all our sins, so, with equal seriousness, he is also God's vigorous announcement of his claim upon our whole life. Through him there comes to us joyful liberation from the godless ties of this world for free, grateful service to his creatures. We reject the false doctrine that there could be areas of our life in which we would not belong to Jesus Christ but to other lords, areas in which we would not need justification and sanctification through him. 3. "Let us, however, speak the truth in love, and in every respect grow into him who is the head, into Christ, from whom the whole body is joined together." *Eph. 4:15-16* The Christian Church is the community of brethren in which, in Word and Sacrament, through the Holy Spirit, Jesus Christ acts in the present as Lord. With both its faith and its obedience, with both its message and its order, it has to testify in the midst of the sinful world, as the Church of pardoned sinners, that it belongs to him alone and lives and may live by his comfort and under his direction alone, in expectation of his appearing. We reject the false doctrine that the Church could have permission to hand over the form of its message and of its order to whatever it itself might wish or to the vicissitudes of the prevailing ideological and political convictions of the day. 4. "You know that the rulers of the Gentiles lord it over them, and their great ones are tyrants over them. It will not be so among you; but whoever wishes to have authority over you must be your servant." *Matt. 20:25-26* The various offices in the Church do not provide a basis for some to exercise authority over others but for the ministry [lit., "service"] with which the whole community has been entrusted and charged to be carried out. We reject the false doctrine that, apart from this ministry, the Church could, and could have permission to, give itself or allow itself to be given special leaders [Führer] vested with ruling authority. 5. "Fear God. Honor the Emperor." *1 Pet. 2:17* Scripture tells us that by divine appointment the State, in this still unredeemed world in which also the Church is situated, has the task of maintaining justice and peace, so far as human discernment and human ability make this possible, by means of the threat and use of force. The Church acknowledges with gratitude and reverence toward God the benefit of this, his appointment. It draws attention to God's Dominion [Reich], God's commandment and justice, and with these the responsibility of those who rule and those who are ruled. It trusts and obeys the power of the Word, by which God upholds all things. We reject the false doctrine that beyond its special commission the State should and could become the sole and total order of human life and so fulfill the vocation of the Church as well. We reject the false doctrine that beyond its special commission the Church should and could take on the nature, tasks and dignity which belong to the State and thus become itself an organ of the State. 6. "See, I am with you always, to the end of the age." *Matt. 28:20* "God's Word is not fettered." *2 Tim. 2:9* The Church's commission, which is the foundation of its freedom, consists in this: in Christ's stead, and so in the service of his own Word and work, to deliver all people, through preaching and sacrament, the message of the free grace of God. We reject the false doctrine that with human vainglory the Church could place the Word and work of the Lord in the service of self-chosen desires, purposes and plans. The Confessing Synod of the German Evangelical Church declares that it sees in the acknowledgment of these truths and in the rejection of these errors the indispensable theological basis of the German Evangelical Church as a confederation of Confessing Churches. It calls upon all who can stand in solidarity with its Declaration to be mindful of these theological findings in all their decisions concerning Church and State. It appeals to all concerned to return to unity in faith, hope and love.

Know the Facts

What is Selective Service Registration?

Registration is the process by which the U.S. government collects names and addresses of men age 18 through 25 to use in case a national emergency requires rapid expansion of the Armed Forces.

Will I Be Drafted?

Registering with Selective Service does not mean you are joining the military. And registering with Selective Service does not mean you are signing up for the all voluntary Armed Services. (See the chart for "Who Must Register")

The fact that a man is required to register does not mean that he will be drafted. No one has been drafted since 1973. No one can be drafted into the military unless ordered by Congress and the President. A draft

March 6, 1933 President Franklin D. Roosevelt declared to a congress of the Governors that a "national state of emergency" existed in America in the form and nature of the economy.

The Governors voted unanimously to recommend to the US Congress that broad executive powers be granted to the President, to wage war on the economic enemy. These powers would not be available under normal Constitutional process.

March 9, 1933
Congress voted to give to the President of the United States and to the Secretary of the Treasury, the "emergency powers" sanction to wage war through executive orders.

2. **Driving an uninsured vehicle**
3. **Driving an unregistered vehicle**

“Hi Folks,
I went to court this morning, driven by a good friend, Don Skolly. I really didn’t know what to expect and had determined not to argue for my rights but if need be to simply state from scripture why I could

acknowledge a fictitious drivers license in the name of a fictitious legal person, or (2) be surety for the debts of others contrary to Proverbs 22:26; 6:1-5; 11:15; and 17:18 by having an auto insurance policy. ...

To be honest with you, I went to court with very little faith and anticipated the Judge would not listen to what I had to say and would probably levy the fines (the minimum fine for the insurance charge was $5000) so I expected I'd probably have to go to jail as I simply don't have money like that!

When my name was called I stood outside

NATURAL PERSON, Wilfrid-Bruce: Woodford and that it was my understanding that all the 3 defendants in the cases before him (failure to surrender a drivers license, driving without a validated permit, and driving without insurance) were LEGAL PERSONS with which I had nothing to do.

At that point the Judge motioned with his fingers for me to step forward "So I can hear you better." (He wanted me to step into his jurisdiction.) I simply ignored him and reiterated that I was a NATURAL PERSON to whom the offense notices had been delivered but that I was not the LEGAL PERSONS named as defendants.

case, I asked the judge if there was any further need of my presence in the courtroom?

He said, Wait a minute; let me consider what has been said. He was silent for some time and fingered through the papers before him. Then he spoke about “this legal person” I had referred to. He read the 3 charges and asked me if I was not the one who was alleged to have committed these offences. Again I replied that I was a natural person and that the Dictionary of Canadian Law clearly distinguishes between NATURAL PERSONS AND LEGAL PERSONS.

At that point he said, “If you are sure you

options before me: (1) if you are the person named your drivers license will be suspended." (To which I responded, "Sir, I have no drivers license.") (2) I can order the police officer who laid these charges to arrest the person against whom these charges were laid. **If you are not that person, you have nothing to fear. You are free to go."**

And so I left! ...
Sincerely, Bruce Woodford, 519-863-3871

II. Why is Evolution Theory Dangerous?

A. It is bad science based on lies.

B. Brings forth bad fruit.

Even so every good tree bringeth forth good fruit; but **a corrupt tree bringeth forth evil fruit.** A good tree cannot bring forth evil fruit, **neither *can* a corrupt tree bring forth good fruit.**

About 6000 years ago God created the world.

Sometime within the first 100 years or so Lucifer (now Satan) rebelled against God and decided to try to destroy God's creation. That is the subject of this session.

Thou (Lucifer) wast perfect in thy ways from the day that thou wast created, **till iniquity was found in thee.**

Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee.
